Annual Register of Grant Support
A Directory of Funding Sources

Return Deadline: April 23, 2004

Your organization's **free** listing in the **2005** edition of the ***Annual Register of Grant Support*** will be an essential resource for grants writers, administrators, students, and others. Inclusion in ***Annual Register of Grant Support*** benefits your organization in several important ways:

- Your grant or award program receives worldwide exposure at **no cost to you!**
- Complete program descriptions help to ensure that you receive only eligible applications

Because we want your organization's listing to be as accurate and up-to-date as possible, we request your conscientious cooperation in the editing process. By simply taking a few minutes to update your listing, you will ensure a global reach to your audience.

Thoroughly review your listing and make any necessary changes. Any corrected or updated information you return to us needs to be legibly written and clearly presented. Also, make sure this new information is entered in the correct field(s). These steps will save us the time of making follow-up phone calls for clarification purposes. Sign the form and return it to us in the enclosed reply envelope or by fax, before **April 23, 2004**. ***Even if there are no changes, please sign and return the form for verification.***

The directory will be published in September 2004, so any move or other change your organization is planning after that date should be noted in your mailer response. *The best possible service we can provide you and our users is to offer correct information within this volume's pages. Your active participation in this process makes this possible.*

If you have any questions or comments, please contact ***Daniel Bazikian, Associate Editor at (800) 409-4929, ext. 3011; fax (908) 219-0192; e-mail dbazikian@infotoday.com***

Your prompt attention is greatly appreciated.

Sincerely,
